**Bbm**  
When the night is a war

And fear's at the door

You will be a light for me  
**Ab**  
I know you will fight for me  
**Bbm**  
When I'm lying awake

I'll call out your name  
**Gb**  
You will calm my anxious heart  
**Ab**  
Come and drive away the dark

### **PRE-CHORUS**

**Bbm** **Ab**  
You will light my way  
**Gb** **Ab**  
Jesus you will light my way

### **CHORUS**

**C#**  
Light of the world shining down on me  
**Bbm**  
You break the dark when I cannot see  
**Gb**  
Like stars in the night  
**C#**  
Oh I believe you will burn brighter still  
  
Light of the world shining down on me  
Burn in my heart, come and set me free  
Like stars in the night  
Oh I believe you will burn brighter still

I will rest in your word

I can put my hope in you

There will soon come a day

When the world fades away
